

External photo partner integration for

photokorn Gallery 1.542

(c) 2003-2005, Telekorn scripts, all rights reserved

<http://www.telekorn.de>

1 General information

1.1 What are photo partners?

Photokorn 1.53 support 2 photo parnters, fotoKASTEN (<http://www.fotokasten.com>) and bildpartner.de (<http://www.bildpartner.de>). These are commercial print service companies, that you can use to sell prints-offs and t-shirts etc. from the images in your gallery. Both companies offer a so-called associate-laboratory or partner programme, which is aimed at website owners and which can be used in combination with photokorn. Through the integration in photokorn, images can be transferred to an extenal photo partner shopping cart and subsequently ordered by your visitors. To use this service you must sign-up up with the photo-partner company and get a partner ID.

Please note! Telekorn scripts is not affiliated and does not profit in any way from this service. We merrily offer the ability to use the service from with photokorn.

For further information about the terms, conditions and calculations in regard to commissions contact fotoKASTEN at <http://www.fotokasten.com> ,or E-Mail partner@fotokasten.de, or Tel. +49 711 66 46 36 10.

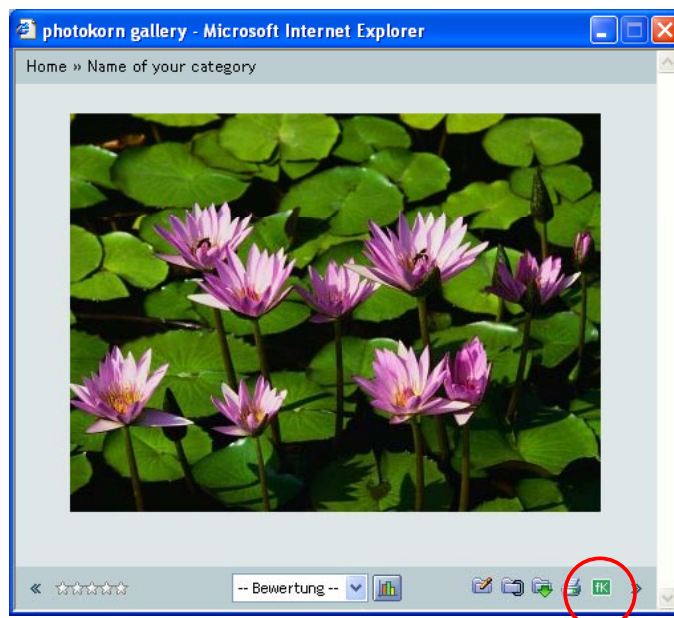

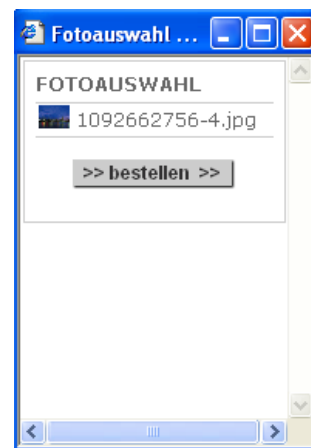

or Bildpartner.de at <http://www.bildparnter.de>, c/o adconsys AG, Karl-Liebknecht-Str. 19, 04107 Leipzig, partner@bildpartner.de, Tel: +49 341 98 474 35.

2 Settings and use

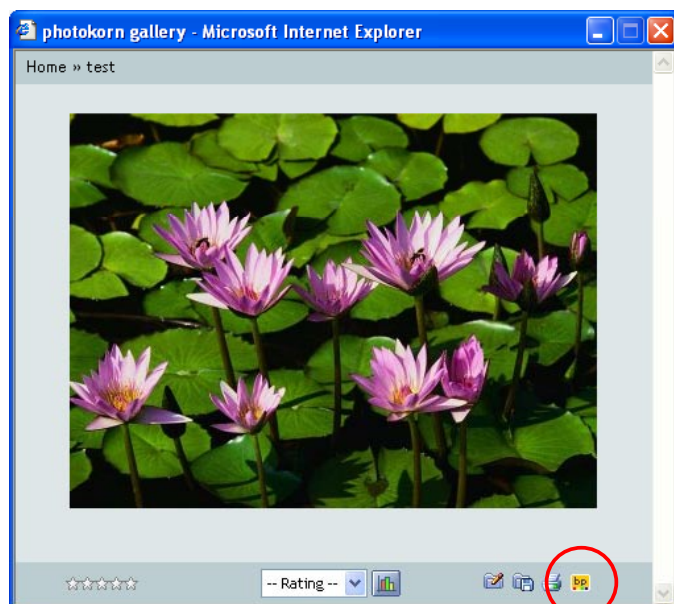

Sign up with fotoKASTEN or bildparnter.de and get a partner-ID. Select the parnter you have signed up with and enter your partner ID into photokorn and set – see Admin centre -> Configuration -> Shopping cart.

External photo partner service	
Show/Use photo partner shopping cart?	fotoKASTEN (www.fotokasten.com) ▼
Your parnter ID	1775

Thereafter, you will be able to see a small icon below each image. If a user clicks on this icon, a small pop-up window will appear. The image details and a small thumb of the image will be transferred to the fotoKASTEN shopping cart.
